Blueberry Lemonade

Ingredients: 2 cups of fresh blueberries, $\frac{3}{4}$ cup granulated sugar, $\frac{2}{3}$ cup of freshly squeezed lemon juice, 4 cups of cold water.

Instructions: Place the blueberries, sugar and 1 cup water in a blender. Blend on medium-high speed for about 1 minute, until the blueberries are completely pureed. Combine the blueberry puree with lemon juice and the remaining 3 cups of water. Add more water, if desired. Stir well, and chill. Serve over ice.
