Scouting for Food

The Scouting for Food Drive is happening on Saturday, November 8! This food drive involves local Scouts picking up bags of food donations from homes across the region and bringing them to the Food Bank. If a neighbor brings food donations for this food drive, you may keep the donations, but please weigh them and let the Food Bank know the pounds, so we can include them in the grand total!

Food for Thought

Kindness Week (Nov. 10 to Nov. 16) was first established to celebrate the simple yet powerful impact of kindness. The everyday acts that bring people together and strengthen the bonds of community.

Because of your generosity, families receive not only food, but also dignity, care and reassurance that they are not alone- especially in these trying and uncertain times. During this special week, we encourage you to continue spreading kindness in any way you can. A smile. A hand extended. Every act matters.

Thank you for the compassion and unwavering commitment you continue to show our community!

Sincerely,
Food Bank of Northeast Louisiana
