

PARTNER PRESS

JUNE 2026

Recert. Recommendations

- Hand out flyers at the distribution before recertification so that the clients will have the required documents.
- Consider having a recertification day to complete applications prior to your actual distribution date.
- Prior to the recertification, host an in person training with the volunteers to instruct them how to complete an application and check verification items.
- Consider recruiting 3 to 4 additional volunteers to assist with applications.
